Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 14 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and fine.

Today:
Any lingering rain will clear the far east early this morning to leave a fine and mostly dry day with prolonged sunshine, perhaps the odd shower. Light winds. Maximum temperature 8 deg C (46 deg F).

Tonight:
Staying dry into this evening, but with clear skies overnight we may see some fog patches forming and the temperatures will drop. Minimum temperature -5 deg C (23 deg F).

Friday:
It will be another fine and dry day tomorrow but turning increasingly cloudy later on with rain pushing in from the west during the evening. Maximum temperature 6 deg C (43 deg F).

Outlook for Saturday to Monday:
Bands of rain pushing eastwards on Saturday with showers following behind. Largely dry on Sunday but further wet weather likely on Monday.
